The Board voted to award funding for Specialized Services for Adults with Employment Barriers for the program year 2019-2020 to the following organizations:

- Community Services Consortium (\$50,000)

- Mid-Willamette Valley Community Action Agency, ARCHES (\$50,000)
- Integrated Supports for Living (\$50,000)
- Dress for Success (\$30,000)

The funding helps job seekers, workers and youth access employment, education, training and support services to succeed in the labor market and provides employers with skilled workers to help them compete in the global economy. Congress and the Department of Labor have been providing this type of funding to the states since the 1960s.

The federal Department of Labor distributes Oregon's share of Workforce Innovation and Opportunity Act funds to The Oregon Higher Education Coordinating Commission's Division of Workforce Investment which in turn divides the funds, along with state General Fund, among the nine workforce Boards. The Willamette Workforce Partnership, one of the nine, encompasses Linn, Marion, Polk and Yamhill counties.
