

Willamette Workforce Partnership Seeking Healthcare Sector Manager!

Willamette Workforce Partnership (WWP) is seeking a dynamic Healthcare Sector Manager to lead healthcare initiatives throughout the Mid-Willamette Valley. You are an ideal candidate if you:

- Are a self-starter
- Have excellent communication skills
- Thrive in a collaborative, energetic environment
- Adapt well to change
- Are committed to WWP's mission to enhance the healthcare community

This role involves overseeing daily operations, program development, and expanding training opportunities for the healthcare workforce. Key responsibilities include:

- Researching and recommending growth strategies for the healthcare sector;
- Leading outreach efforts to engage healthcare businesses and connect job seekers with employers;
- Facilitate partnerships among regional stakeholders, prepare proposals and communications;
- Represent WWP in various healthcare-related meetings and events.

The qualifications for this position include 5 years' experience in healthcare service management with a focus on underserved populations (preferred) and at least 2 years' experience in program management. A bachelor's degree in a health-related field, healthcare certification, or a combination of education and experience.

WWP offers a robust benefit package including health, dental, and life insurance, a 401K plan, generous PTO and more. Salary negotiations begin at \$80,000 annually and final salary determination will depend on experience, education and certifications.

Join us in making a difference in the Mid-Willamette Valley! Please apply with a resume and cover letter via email to info@willwp.org. Applications will be accepted through December 1, 2024. Thank you!

Willamette Workforce Partnership is an equal opportunity employer/program. Auxiliary aids and services are available upon request.
