

# Request For Proposals

## For Oregon's Willamette Workforce Region One-Stop Operator Services

Willamette Workforce Partnership seeks qualified, experienced organizations to provide high-quality workforce development services in **Linn, Marion, Polk,** and **Yamhill** counties. Bidders who have the capacity, experience, and community networks necessary to focus on streamlining service delivery, reducing barriers, fostering collaboration among partners, and creating meaningful engagement opportunities for job seekers, employers, and community stakeholders throughout the Willamette Workforce Region and its WorkSource centers.

Successful bidders will evaluate current processes, create clear and actionable recommendations, and test practical solutions that may improve engagement, service quality, and system performance.

The RFP package will be available on line on WWP's website: [willwp.org](http://willwp.org) at 8 am on January 6th, 2025. If you need assistance accessing the RFP or need an alternative format please contact [RFP@willwp.org](mailto:RFP@willwp.org) or call 503-581-1002.

### Application Details

Submission opens at 8:00 am on **January 6, 2025** and closes on **April 11, 2025** by 12:00 pm PST.

Approximately **\$75,000** will be available annually to perform these services.

Contract will begin on **July 1, 2025** with the potential for contract renewal annually until **June 30, 2029**.
