Q #1: Will WWP leadership team meetings remain virtual?

Answer: WWP leadership team meetings remain virtual for now. Meetings will continue in their current format, but adjustments may be made based on the needs of the leadership team.

Q #2: The RFP references the Local Operational Teams; can the OSO propose a different meeting structure than what is currently in place?

Answer: The OSO may propose an alternative meeting structure and time, provided it aligns with Oregon Standards and is approved by a majority of the leadership team.

Q #3: Does WWP currently engage a marketing firm, and, if so, what is the role of that firm in executing the outreach plan and the social media plan?

Answer: WWP previously worked with a marketing firm but does not currently have an active contract. Additionally, the firm used for WWP was not aligned with the marketing needs of the WorkSource centers.
