WILLAMETTE WORKFORCE PARTNERSHIP

WIOA PROVIDERS

ONE-STOP OPERATOR

Effective July 1, 2022, the Partnership of Workforce Initiatives (PWI) provides One-Stop-Operator Services throughout the Willamette Workforce Partnership region in accordance with the Workforce Innovation and Opportunity Act. As the One-Stop-Operator, OMEP is considered a subrecipient of federal funds and is required to follow Uniform Guidance.

Workforce services in the Willamette Workforce Partnership workforce area are primarily funded through the Workforce Innovation and Opportunity Act (WIOA). The work authorized under this federal legislation provides support for workforce development activities in the local area, which are supplemented and aligned with other funding sources. The U.S. Department of Labor (DOL) and Oregon's Higher Education Coordinating Commission Office of Workforce Investments (HECC-OWI) oversee this funding. As defined by the Workforce Innovation Opportunity Act (WIOA) Section 678.620, the One-Stop Operator's role at a minimum is to coordinate the service delivery of required one-stop centers, branded in Oregon as WorkSource, partners and service providers. As the selected entity, PWI has demonstrated effectiveness and experience in providing services in Oregon and is able perform the duties of the One-Stop Operator without any conflicts of interests.
